2,490 sq.ft.

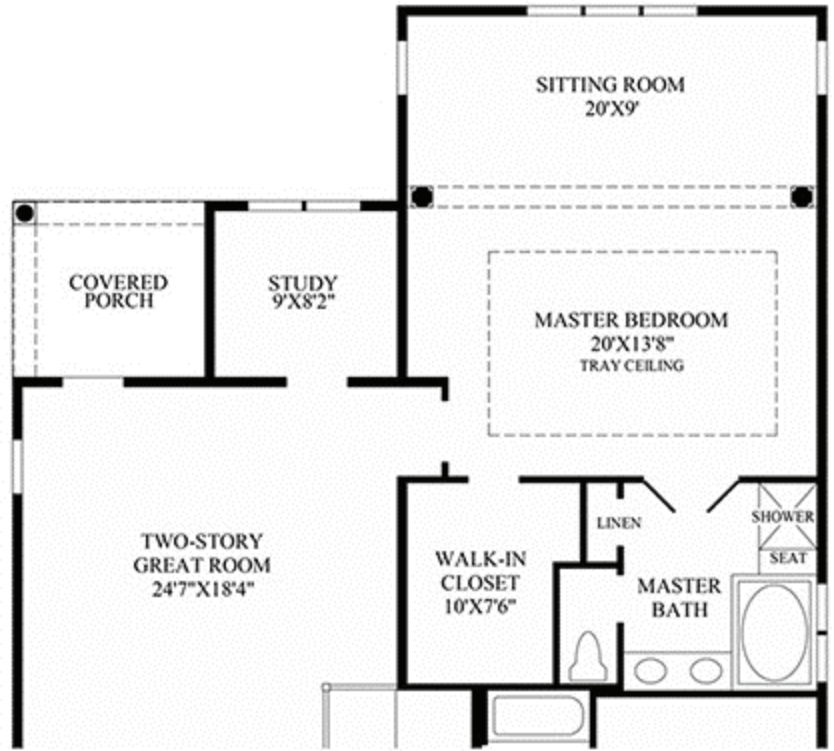

2 story

If you envision yourself as a gracious host or hostess in your new home, consider the Farmington. Its formal dining room is the perfect setting for any important occasion. From upstairs you can view your guests from above. This home's spacious loft overlooks the two-story great room. But the drama really begins when you enter the soaring two-story foyer. The well-appointed kitchen includes a pantry, a breakfast bar, and an open view of the lovely great room. The private first-floor study can also be used as a bedroom. Also on the first level, the master bedroom with a tray ceiling boasts a large walk-in closet and a master bath with a dual-sink vanity, a Roman tub, a shower with a seat, a private toilet area, and a linen closet.
